

Captain Bob Brown

Vice President CAPA

Captain Bob Brown currently serves as Vice President of the Coalition of Airline Pilots Association. He is a Boeing 757/767 Captain at UPS Airlines and a member of the Independent Pilots Association (IPA).

Captain Brown has spent the last 20+ years directly involved in advancing aviation safety. The Secretary of Transportation appointed him as Chairman of the Lithium Battery Air Safety Advisory Committee. In this role, he is leading a collaborative process between manufacturers, e-commerce platforms, airlines, and other industry stakeholders in providing recommendations to the DOT and Congress on safely transporting batteries on aircraft.

Other government roles include participation on the Aviation Safety Information Analysis and Sharing (ASIAS) FAA Aviation Rulemaking Committee, the High Energy Fire Training Enhancements (HEFTE) working group and the Commercial Aviation Safety Team (CAST).

As a member of the Independent Pilots Association (IPA), he has served as Communication Chairman, Safety Chairman, Director of Airline Safety & Training and IPA Executive Board Vice President

Captain Brown holds a Bachelor of Arts in Communication from the University of Wisconsin-Milwaukee, and currently resides in Ft. Myers, FL.
