

George Kerchner

Mr. Kerchner has served as the Executive Director of PRBA – The Rechargeable Battery Association since 2006. He represents PRBA and its members in the United States and internationally on issues associated with the safe manufacturing, handling, transport, storage, recycling, and disposal of lithium batteries. He also represents PRBA at international transportation forums such as the United Nations Subcommittee of Experts on the Transport of Dangerous Goods, International Civil Aviation Organization Dangerous Goods Panel, and International Maritime Organization Subcommittee on Carriage of Cargoes and Containers. Mr. Kerchner is also a Senior Policy Advisor with the law firm of Wiley Rein LLP in Washington, DC with expertise on the domestic and international transportation of new and waste lithium batteries, electric vehicles, and portable electronic equipment.
