WILDLIFE RESERVES SINGAPORE CONSERVATION FUND

The 3 Wildlife Reserves Singapore (WRS) parks - Jurong Bird Park, Night Safari and Singapore Zoo, have been playing an active role in spearheading numerous conservation activities over the years. To further our commitment, the Wildlife Reserves Singapore Conservation Fund (WRSCF) was registered in 2009 as a charity and an institution of public character with the primary purpose of conserving endangered native wildlife.

For each admission ticket sold, WRS parks will contribute 20 cents to WRSCF specifically for the purpose of educating and preserving our local biodiversity.
