

In-flight Fire Fighting Training Video

Presented to: International Aircraft Systems Fire Protection Working Group, Cologne, Germany

By: Dave Blake, FAA Technical Center, Atlantic City, NJ
Email: Dave.Blake@faa.gov

Date: May 19-20, 2009

Federal Aviation
Administration

- The training video is finalized and available for download from the FAA Fire Safety website at: www.fire.tc.faa.gov
- It is approximately 20 minutes long and has been reviewed and approved by the FAA and Transport Canada.
- The FAA plans to release the video as an “InFO” (Information for Operators)

- **The download is free and there are no restrictions on use.**

- **There have been problems with international access to the FAA Fire Safety website.**
